

## IMMEDIATE RELIEF\*\* WITH CRACKED HEEL OINTMENT

### Care for Calloused, Cracked Skin

The **Cracked Heel Ointment** forms a protective barrier that locks in moisture in the skin. It contains **25% urea** to improve the condition of rough, cracked, and dry heels. This Ointment provides intense care, aids in repairing cracked heels, and leads to a noticeable reduction in roughness after just three days. Thanks to its long-lasting effect, the Cracked heel Ointment achieves visible results from the very first day\*. The skin becomes more supple, smoother, and feels thoroughly nurtured all around.

\*Smooth and supple skin, as well as an improvement in skin condition from the first application.

\*\*Roughness of skin: Immediate effect after first application. Suppleness, smoothness, cracking, and dryness: Immediate effect after three days.

- Reduction of cracked skin after 3 days
- Noticeable effect from the first day\*
- With urea, glycerin, allantoin & panthenol
- Suitable for diabetes
