

INSTANT HYDRATION WITH ISOTONIC DRINK POWDER

Power Through with Electrolytes and Energy

Our Iso-Drink is a **carbohydrate-electrolyte drink** that is quick to prepare and, with its fruit y orange flavor, is a refreshing thirst quencher for all sports enthusiasts. It is also **isotonic**, i.e. the drink has the same concentration of minerals (electrolytes) as the human body. A supply of electrolytes is particularly important during sport when they are sweated out.

- Carbohydrate-electrolyte solutions help to maintain endurance performance
- **Improves the absorption of water** during physical exertion
- **Magnesium** contributes to electrolyte balance, normal energy metabolism and normal muscle function
- Provides rapidly absorbed **carbohydrates**
