

**PROTECTION AND CARE WITH
NOSE CREAM**

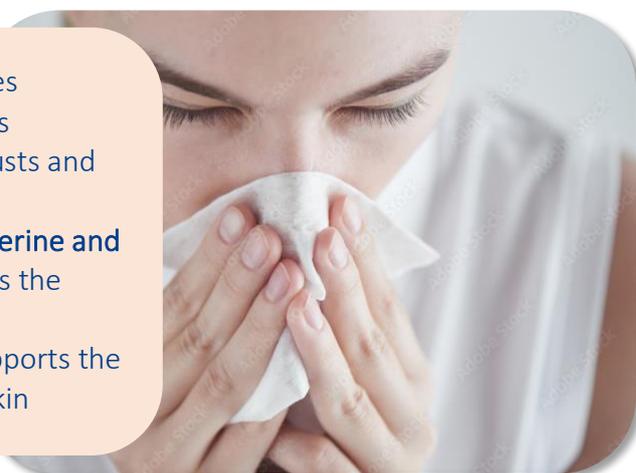

Fast and Effective Help for Sore Nose

Frequent nose blowing during the allergy and cold season or dry ambient air can cause the sensitive skin in and around the nose to feel irritated, chapped and sore.

Thanks to its combination of active ingredients, the nose cream is a quick and effective help for sore noses and helpful for colds and hay fever: **Sesame Oil** shields the nasal mucous membrane and the combination of **Glycerine, Atlantic Sea Salt and Dexpanthenol** effectively moisturizes and cares for the mucous membrane. Lanolin also softens rough areas. For adults and children from 3 years.

- Humidifies, protects and regenerates
- **Sesame Oil** shields the nasal mucous membrane and gently removes crusts and bark
- Combination of **Dexpanthenol, Glycerine and Atlantic Sea Salt** effectively moistens the nasal mucous membrane
- **Lanolin** softens rough areas and supports the regeneration of irritated and sore skin

Product Specifications

Ingredients	Water (62.0%), sesame oil (22.0%), wool wax (lanolin) (4.0%), glycerin, dexpanthenol, Atlantic sea salt, zinc PCA, magnesium sulphate, silver, casein, tocopherol, ascorbyl palmitate, Ascorbic acid, neutral oil, diisostearoyl polyglyceryl-3 dimer dilinoleate, phenoxyethanol, natural flavour from thyme and orange oil, ethanol, sodium hydroxide, citric acid		
Direction for use	If necessary, apply an approx. 1 cm long strand of the cream to the inner and outer skin of the nose and around the nostril several times a day.
