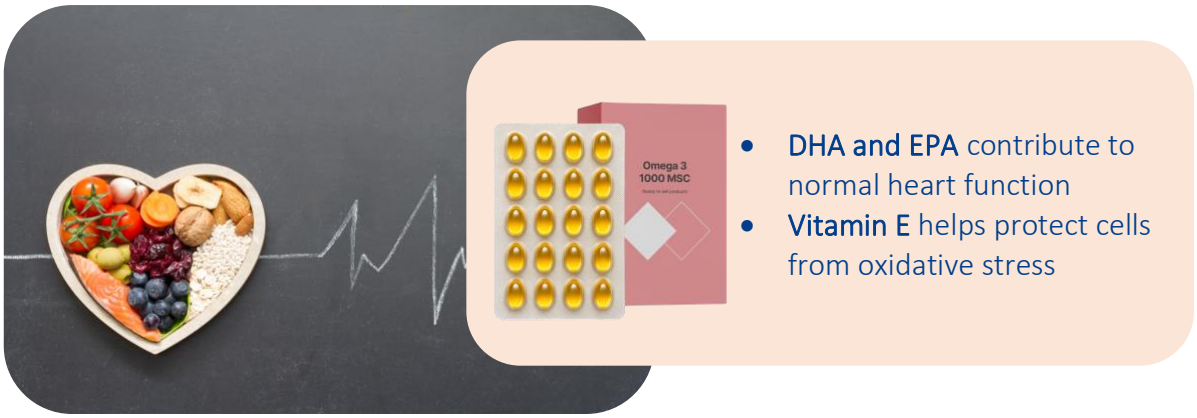
FUEL YOUR DAY WITH OUR
OMEGA 3 1000 MSC SOFTGELS

Support a Healthy Heart and a Sharp Mind

Our Omega 3 1000 MSC Softgel capsules contain high-quality Alaska pollock oil, sourced from MSC-certified sustainable fisheries. Rich in unsaturated omega-3 fatty acids, especially the essential fatty acids EPA and DHA, these capsules support multiple functions in the human body. A daily intake of 250 mg of EPA and DHA contributes to normal heart function. Vitamin E is also included to help protect the cells from antioxidative stress. The **fish oil** is sourced exclusively from fisheries certified by the Marine Stewardship Council (MSC) – the world's most recognized label for sustainable fisheries.



- **DHA and EPA** contribute to normal heart function
- **Vitamin E** helps protect cells from oxidative stress

Product Specifications
