

## CARES AND PROTECTS REPAIR ZINC CREAM

### For Daily Skin Care

The **Repair Zinc Cream** provides intensive care for stressed and blemished skin. The highly effective formula supports the skin's natural regeneration and helps to restore the skin barrier. Zinc has a calming and anti-inflammatory effect, while the skin is optimally moisturized. Ideal for relieving skin irritations and promoting a clear, healthy complexion. The **Repair Zinc Cream** noticeably soothes skin irritations and promotes quick relief for stressed skin areas. The gentle yet effective formula protects against external influences and helps the skin regenerate and strengthen. Ideal for sensitive and irritated skin.

- Protects and soothes irritated and stressed skin
- Calming and soothing for skin irritations and redness
- Promotes a healthy skin barrier and clearer skin
