

## FREE THE NOSE WITH SEAWATER NASAL SPRAY DECONGESTANT

### Supportive Treatment of Rhinitis and Nasal Congestion

Feeling of a "blocked" nose is frequently due to swollen nasal mucous membranes. The Seawater Nasal Spray Decongestant helps to moisten the nose and keep the nasal passages clear without dehydration. Cleaning of the nasal cavity from dust, pollen /allergens or dry crusts also supports the care of the nasal mucosa.

- Support for the treatment of colds and blocked nose
- For regular nasal care
- To help with allergies
- No habituation effect

The nature of the packaging allows the natural ingredients to be stored without preservatives.

- Support for the treatment of blocked nose
- From **natural Sea Salt**
- No preservatives
- **With Dexpanthenol**
