STRENGTHEN YOUR BODY'S DEFENCES WITH
VITAMIN C & D plus ZINC CHEWABLE TABLETS

Support for a Strong Immune System

Our defences are challenged anew every day. A functioning immune system is then particularly important. Our chewable tablets with **Vitamin C, D and Zinc** are well known for their role in immune defence, but Vitamin C and Zinc are also a powerful duo outside the cold season and help to protect our cells from oxidative stress. Our delicious **chewable tablets with orange flavour** are also especially recommended for **swallowing problems or pill fatigue.**

- As a contribution to the healthy functioning of the immune system
- Supports the protection of cells from oxidative stress
